Thanks Offered

Editor,
The Torrance Herald:
As chairman of the Good Neighbor Breakfast committee for the Torrance YMCA, I wish to extend my sincere thanks and appreciation for the very fine cooperation received from your newspaper during the past several weeks in connection with the annual Good Neighbor Breakfast held exclusively for the benefit of the youth of Torrance and our YMCA activities. In spite of the inclement weather which dampened our pocketbook, but did not dampen our spirits, over 600 breakfasts were served. The youth of Torrance will be the beneficiaries from the entire proceeds of this breakfast.
Our board of managers is deeply appreciative of the efforts of those local merchants who donated food and services for this activity and we are indebted to the volunteers who worked hard to make this event a success.
R. I. PLOMERT JR.

Thanksgiving Day Services Set At Christian Science Churches

"Are we really grateful for the good already received?" questions Mary Baker Eddy in the Christian Science textbook, "Science and Health with Key to the Scriptures." She continues, "Then we shall avail ourselves of the blessings we have, and thus be fitted to receive more. Gratitude is much more than a verbal expression of thanks. Action expresses more gratitude than speech" (p. 31). A period will be set aside for the giving of testimonies by Christian Scientists appropriate for the occasion.
The newly established nursery at 1215 Crenshaw Blvd. will be open from 10 a.m. to 11:30 a.m. for those wishing to leave their children during the services.
